

Thanksgiving is a time to give thanks for all our blessings, and included in the blessings at St. John's is for all who have donated and pledged to the exterior project of the building. So many have been so generous and for that we say "Thank you"!

As we move forward, preparing for tomorrow, we ask that those of you who have made pledges will fulfill those pledges. And for everyone, as you consider your financial blessings, that you will keep in mind the need to pay back the loan taken out to pay for the exterior improvements. If you are able, please continue to donate to the church, parish and this capital project.

Financial update:

- Loan secured to cover the balance of the project, but with the continued generosity of our members and other donors we hope to have this paid off in 2-3 years.
- Donations can be given to St. John's Building Fund (including through Vanco).

We truly are Building for Today, Preparing for Tomorrow!!!!

St. John's Church Council
